HONGKONG VOLUNTEER CORPS.

The Corps as it existed until 1893 consisted solely of an Artillery Corps. It was not made subject to the Army Act, and consequently was not held to be in a military sense a reliable force in the event of war.

In 1893 the force was disbanded by the Government and a new Volunteer Corps was formed under Ordinance No. 6 of 1893, which placed the Corps under the supervision of the military authorities as in England, and made it subject to the Army Act to the same extent as the Volunteer Force in England. Amended Regulations were made by the Governor-in-Council on the 25th May, 1899, and again amended on the 6th November, 1902.

The establishment of the Corps has now been fixed as follows :—

2 Garrison Artillery Companies, ...	310

HOSPITALS.

1906.

NOTE.—On the first occasion of filling up these Forms, a Plan of each Floor of the Hospital should be sent home. Each such Plan should be the size of the Blue Book sheet. In subsequent years, if there has been no material alteration in the Buildings, or addition to them, it will be sufficient to refer to the Blue Book in which the Plans were sent home.

If the Buildings are afterwards altered or enlarged, fresh Plans should be sent home with the Blue Book of the year in which the alterations were effected.
